MEANINGFUL & FUN ROAD TRIP IDEAS IN/NEAR THE BNEI BRAK AREA

EMUNAH ACHUZAT SARA CHILDREN'S HOME

A hundred boys and girls between the ages of 8 through 18 call Emunah Achuzat Sara their home. Achuzat Sara in Bnei Brak cares for many of Israel's most vulnerable children. While each child is unique, the children in Achuzat Sara unfortunately share a common history of neglect, abuse, and rejection. Because it would be harmful to the emotional and physical well-being of these children to remain in their dysfunctional homes, social services and family court placed them at Achuzat Sara. The caring staff of Achuzat Sara welcomes every child with smiles and open arms. Achuzat Sara is dedicated to helping these children process their difficult experiences and provides them with the safety and joys of a normal childhood.

EMUNAH NEVE LANDY CHILDREN'S VILLAGE

Emunah Neve Landy Children's Village is located in rural Even Shmuel, a moshav (agricultural settlement) in southern Israel, adjacent to the city of Kiryat Gat and less than 15 miles from the Gaza Strip. Neve Landy is a residential home for 76 at-risk boys from the ages of 6-18. For many, Emunah Neve Landy serves as an alternative or last resort intervention for boys who would otherwise require psychiatric hospitalization. All of our children are placed at Neve Landy by municipal social services and mostly all are from local southern communities. Many boys display a variety of behavioral problems, learning disabilities, and complex emotional struggles. Emunah Neve Landy is the best option to help these boys and their families, providing support and care to ensure they develop into emotionally healthy adults.
